Dr. Russ & Mave Moyer

Prior to answering the call to pulpit ministry in 1997, Dr. Russ owned and operated five security related businesses, overseeing over 200 employees. He founded Eagle Worldwide Ministries in 2001 and now he and his wife Mave travel extensively as sought after conference speakers, specializing in leadership mentoring, the prophetic realm and marketplace ministry. They have birthed nine churches, Eagle Worldwide Foundation and The Retreat & Revival Centre.

Mave has owned several successful restaurants and is involved in performing arts and Christian dinner theatre. She and Dr. Russ have a heart to credential and spiritually cover marketplace ministers and to activate them to answer the fullness of their call in every sector of society.
